## REAP CONGRESS – This Weekend!

The bi-annual REAP Congress will be held at the State Capitol this Saturday as over 80 delegates from the 18 REAP Districts descend on Des Moines. IACCB will be joining the other REAP Alliance partners in participating with this important piece of the REAP process established by the Iowa Legislature in 1989.

## NATIONAL EAB SYMPOSIUM – March 2014

Rainbow Treecare is committed to the Twin Cities Metro being the most educated and prepared for EAB in the country. They are hosting a National EAB Symposium March 5th and 6th, 2014 at the Radisson Hotel in Roseville, Minnesota and would like you to attend. Much like the successful event they hosted last year, this educational forum is designed to provide the estimated 400 attendees the tools they need to manage EAB in their areas. The intended audience is municipal employees, managers of large populations of ash trees and private arborist practitioners from Minnesota, Iowa, Illinois and Wisconsin. They have confirmed Dr. Deb McCullough, Dr. Dan Herms, and Dr. John Ball as speakers to present the latest EAB research and management protocols as well as the hazards of dead ash trees. *(More information to come)*
